Work Experience

Current

Associate Professor, Department of Geography, Rutgers University.

Professor II, Faculty of Biosciences, Fisheries and Economics, Universitetet I Tromsø, Norway.

Education

1999 Ph.D., Graduate School of Geography, Clark University. Dissertation title: “From Models to Maps: The Discourse of Fisheries and the Potential for Community Management in New England.”

Fields of study: economic geography, cartography and GIS, resource geography. Advisor: Dr. Jody Emel. Other committee members: Drs. Dianne Rocheleau, J. Ronald Eastman, and Julie Graham.

1989 MSc, University of Massachusetts, Amherst (Geography). Thesis: “An Alternative Industrial Geography: Overdetermination and the Solid Wood Products Industry.”

1985 BA, University of Massachusetts, Amherst. Major: Geography, Minor: Asian Studies Certificate.

Professional Experience

2016- Professor II, Faculty of Biosciences, Fisheries and Economics, Universitetet I Tromsø, Norway.

2015-2016 Director of the Graduate Program in Geography, Rutgers University.

2010-2012 Director of the Graduate Program in Geography, Rutgers University.

2008- Associate Professor at Rutgers University, Department of Geography.

2002-2008 Assistant Professor at Rutgers University, Department of Geography.

2001-2002 Assistant Professor at Rutgers University, Joint appointment between the Department of Geography (51%) and the Center for Urban Policy Research (49%).

2000 National Research Council (NRC) Associateship Award recipient. Postdoctoral position at the DOC/NOAA/NMFS Northeast Fisheries Science Center, Woods Hole, MA.

1999 Adjunct instructor at Clark University and at Tufts University.

- Research Associate at Clark Labs for Cartographic Technology and Geographic Analysis, Clark University.
- 1993-1998 Coordinator of Idrisi Resource Centers and Research Associate at the Idrisi Project (GIS research and software development) located within Clark Labs for Cartographic Technology and Geographic Analysis, Clark University.
- 1990-1992 Research Associate and UNITAR workbooks coordinator at the Idrisi Project. Responsibilities included writing and editing GIS educational materials as well as coordinating final production of workbooks produced in conjunction with the United Nations Institute for Training and Research.
- 1989-1990 Teaching Assistant, Graduate School of Geography, Clark University. Cartography and Remote Sensing.
- 1986-1988 Research Assistant, Department of Geology and Geography, University of Massachusetts, Amherst. Research in industrial geography.

Funded Research

- 2015 U.S. Bureau of Ocean Energy Management. Collaborating Researcher, *Collaborative Fisheries Planning for Virginia’s Offshore Wind Energy Area*. April 2015 – October 2015, subcontracted by The Nature Conservancy \$15,000.

NOAA, The Saltonstall-Kennedy Grant Program. Co-Principal Investigator (in collaboration with colleagues at the University of Massachusetts, Dartmouth and NOAA/NMFS/Northeast Fisheries Science Center, Woods Hole), *Combining Fishermen’s Knowledge with Oceanographic and Economic Models to Locate, Evaluate, and Predict Gray Meat Outbreaks in Atlantic Sea Scallops*, June 2015 – May 2017, \$299,551.

- 2014 National Science Foundation, Coastal SEES Program. Co-Principal Investigator (Malin Pinsky, PI and in collaboration with colleagues at Princeton and Yale), *Adaptations of Fish and Fisheries to Rapid Climate Velocities*, September 2014 – August 2018, \$1,110,024.

National Science Foundation, Geography and Spatial Sciences Program. Principal Investigator, (in collaboration with Lisa Campbell at Duke University), *Settling*

- Uncertainties: Regional Implementation and the Emergence of Stakeholders and Ecosystems as Objects and Actors in US Marine Spatial Planning*. July 2014 – June 2016, \$350,000.
- Atlantic Sea Scallop Research Set-Aside Program. Collaborating Researcher, *Tracking the Occurrence of Gray Meat in Atlantic Sea Scallops, Placopecten magellanicus*. May 2014 – April 2015, subcontracted \$6,000.
- 2012 NOAA, Regional Ocean Partnership Funding Program. Collaborating Researcher, *Mid-Atlantic Mapping and Planning Portal, Stakeholder Engagement to Advance Regional Ocean Planning*. January 2012 – September 2015, subcontracted \$19,000.
- National Science Foundation, Geography and Spatial Sciences Program. Principal Investigator, (with Bonnie McCay and in collaboration with Lisa Campbell at Duke University), *Marine Spatial Planning and the Role of Community and Environmental Actors: A Sea Change in Oceans Governance?* July 2012 – June 2013, \$125,000.
- 2008 Marine Ecosystem-Based Management Tool Innovation Fund (an initiative funded by the David and Lucile Packard Foundation and administered through Duke University's Marine Geospatial Laboratory). Principal Investigator, *Communities at Sea Mapper*, May 2008 – May 2009, \$74,108.
- 2004 National Science Foundation, Ethics and Values Studies program. Co-Principal Investigator (with Bonnie McCay), *Experience Based Knowledge in a Science Policy Context*, March 2004 – February 2008, \$180,001.
- NOAA, New Jersey Sea Grant program. Co-Principal Investigator (with Bonnie McCay, Bryan Oles, and Michael Danko), *Cumulative Effects and New Jersey Marine Fisheries*, March 2004 – May 2006, \$78,500.
- 2003 National Science Foundation, Ethics and Values Studies program. Co-Principal Investigator (with Bonnie McCay), *Examining the Fate of Experience Based Knowledge in a Science Policy Process*, September 2003 – August 2004, \$39,720.
- NOAA, New Jersey Sea Grant program. Co-Principal Investigator (with Bryan Oles and Bonnie McCay), *Environmental Knowledge of Commercial Fishermen and Its Application to Fisheries Management*, January 2003 – December 2003, \$49,993.
- 2001 NOAA, Northeast Consortium. Principal Investigator (with Madeleine Hall-Arber), *An Atlas-based Audit of Fishing Territories, Local Knowledge, and the Potential for Community Participation in Fisheries Science and Management*, September 2001 – May 2005, \$168,953.
- NOAA, Cooperative Marine Education Research. Principal Investigator (with Bonnie McCay), *Recreational Fishing and National Standard 8: Assessing Community Impacts of Federal Regulations*, September 2001 – August 2004, \$75,000.
- NOAA, Cooperative Marine Education Research. Principal Investigator (with Bonnie McCay), *Spatial Dimensions of Fisheries and Their Implications for Property Rights Alternatives: A Case Study of Three Major Scallop Areas*, September 2001 – August 2004, \$28,000.

Missouri Department of Natural Resources. Co-Principal Investigator (with David Listokin and Michael Lahr), *Economic Impacts of Historic Preservation in Missouri*, March 2001 – February 2002, \$49,820.

Rutgers Research Council. Principal Investigator, *A Prototype for an Atlas of Fishing Territories, Local Knowledge, and the Potential for Community Participation in Fisheries Science and Management*, September 2001 – May 2002, \$2550.

Fellowships and Awards

- 2015 Julie Graham Community Economies Research Fund Fellowship recipient. Award to participate in the 2015 Community Economies Theory and Writing Retreat, Bolsena, Italy, August 9-19, 2015.
- 2013 Julie Graham Community Economies Research Fund Fellowship recipient. Award to participate in the 2013 Community Economies Theory and Writing Retreat, Bolsena, Italy, July 2-14, 2013.
- 2010 Fulbright-Hays Scholar Award recipient. Project title: *Drawing Communities Together: Assessing the Potential of Participatory Environmental Mapping for Marine Resource Management and Community Development*. University of Tromsø, Norway, January-June 2010.
- 2009 Public Scholarship and Service Learning Curriculum Development Grant recipient. Award used to revise GEOG321 (Geographic Information Systems) to include public service and community engagement modules. \$1500.
- 2003 Bildner Intercultural Fellowship Award recipient. Award used to revise GEOG470 (History and Theory of Geography) to include intercultural content. \$4000.
- 2000 National Research Council (NRC) Associateship Award recipient. Postdoctoral position at the DOC/NOAA/NMFS Northeast Fisheries Science Center, Woods Hole, MA.

Invited Participation

Invited Working Groups:

- 2014 International Social Science Council, Transformations to Sustainability international working group hub researcher. Project title: *Rebuilding Livelihoods to Meet the Challenges of Climate Change in Post-Crisis Communities*. Group active September 2014 – March 2015.
- 2013 NOAA, Washington Sea Grant, and University of Washington's School of Marine Environmental Affairs working group participant. Project title: *Advancing a Social Science Protocol for Assessing Human Wellbeing in Ecosystem-Based Management*. Group active December 2013 – December 2014.
- 2012 Stanford University's Center for Ocean Solutions working group participant. Project title: *Social-Ecological Resilience in Small-Scale Fisheries*. Group active April 2012 - April, 2014.

- 2012 Stanford University's Center for Ocean Solutions working group participant. Project title: *Exploring the Human Dimensions Relevant to Marine Spatial Planning*. Group active April 2012 - July, 2012.
- 2010 National Center for Ecological Analysis and Synthesis (NCEAS), Santa Barbara, CA working group participant. Project title: *A Framework to Assess Ecosystem health in Support of Ecosystem-Based Management of Coastal-Marine Systems*. Group active January 2010-May 2011.

Invited Keynote Addresses:

- 2013 Keynote speaker at the *MARE People and the Sea VII* conference, Amsterdam, June 26-29.
- 2012 Keynote speaker at the *(no)Boundaries Graduate Student Conference*, Pennsylvania State University, University Park, PA, February 11-12.
- 2008 Keynote speaker/lecturer at “Sharing Ocean Space: Visions, Knowledge, Strategies, and Tools” a course in the political ecology series at the Norwegian College of Fishery Science, University of Tromsø, Norway, April 23-25.
- 2006 Keynote speaker at the “Sea Use Management and Marine Spatial Planning” workshop, United Nations Educational, Scientific, and Cultural Organization (UNESCO), Paris, November 7-11.
- 2004 Key note speaker at the “Spatial Planning for the Sustainable Management of the Seas” workshop hosted by the Maritime Institute at the University of Ghent, Ghent, Belgium, January 15-16.

Invited Speaker Series and Workshops:

- 2017 *Seminar series speaker, Department of Geography, University of Delaware, Newark, DE, TBD.*
- 2016 *Participant at “The Social Dimensions of American Offshore Wind Energy: Towards a Research Agenda,” University of Rhode Island, October 24.*
- Seminar series speaker, Department of City and Regional Planning, Cornell University, Ithaca, NY, October 13.*
- Guest lecturer in the Fisheries Management course, Fisheries College, University of Tromsø, Norway, March 14-18.
- 2015 Speaker and participant at “Building the Future of Fisheries: Designs for Government, Market, and Community,” Yale University, April 3.
- Seminar series speaker, George Perkins Marsh Institute and the Graduate School of Geography, Clark University, Worcester, MA, March 12.
- 2014 Participant at the “Social Transformations to Sustainability” workshop, International Social Science Council, Potsdam, Germany, November 17-19.
- Guest lecturer in the Fisheries Management course, Fisheries College, University of Tromsø, Norway, March 17-19.

- 2013 Speaker and participant. “Nature-Society Workshop,” Clark University, Worcester, MA, September 27-28.
- Seminar series speaker, Economic Sociology Laboratory, Higher School of Economics, Moscow, Russia, April 23.
- Guest lecturer in the Fisheries Management course, Fisheries College, University of Tromsø, Norway, March 10-13.
- 2012 Speaker and participant at the “Future of Sami Fisheries Research” workshop, University of Tromsø, Norway, October 8.
- Organizer and speaker, “GIS for Social Science” workshop, Tórshavn, Faroe Islands, May 22-24.
- 2011 Seminar series speaker, Institute of Marine and Coastal Science, Rutgers University, New Brunswick, NJ, November 28.
- Speaker and participant at “Geographies of Justice: An Interdisciplinary Symposium,” Penn State University, September 30-October 1.
- Speaker and participant at the “Fisheries Leadership and Sustainability Forum,” Stanford University, Palo Alto, CA, September 21-23.
- Guest lecturer in the Center for Oceans Solutions short course on Marine Policy, Hopkins Marine Laboratory (Stanford University), Monterey, CA, August 14-15.
- Participant at the “Atlantic Wind Energy Workshop” hosted by the U.S. Bureau of Ocean Energy Management, Regulation, and Enforcement (BOEMRE), Washington D.C., July 12-14.
- Speaker and participant at the “Why Do We Value Diversity? A Cross-Disciplinary Workshop on Biocultural Diversity in Global Context” hosted by the Rachel Carson Center for Environment and Society, Munich, Germany, June 4-5.
- Steering Committee member, speaker and participant, *The Role of Social Sciences in Ecosystem-Based Management*, a CINAR (Cooperative Institute for the North Atlantic Region) workshop held at the Woods Hole Oceanographic Institute, Woods Hole, MA, May 2-4.
- Speaker and participant at the “Social Science and Chesapeake Bay Restoration” workshop, hosted by the Scientific and Technical Advisory Committee of the Chesapeake Bay Program, Annapolis, MD, March 10.
- Seminar series speaker, DukeFish Spring Lecture Series, Duke University Marine Laboratory, Beaufort, NC, February 24.
- 2010 Speaker and participant at the “Local Resources, Markets, and Economic Growth” workshop hosted by the Center for Northern Peoples and Kåfjord municipality, Mandalen, Norway, June 21.
- Seminar series speaker, Fisheries College, University of Tromsø, Norway, April 23.
- Speaker at the “Fulbright Seminar 2010,” Oslo, Norway, February 11.

- Seminar series speaker, “Favllis Research Forum 2010,” Sami Center, University of Tromsø, Norway, February 4.
- 2009 Speaker and participant at the “Sami Rights in Coastal Landscapes and Seascapes: Rights to Natural Resources and New Management Principles” conference and PhD course, University of Tromsø, Norway, April 22-24.
- Speaker (via video link) at the “Ways of Knowing the Sea: The Integration Project” workshop, Memorial University, Newfoundland, Canada, February 5-6.
- 2008 Speaker and participant at the “Geospatial Technology, Wildlife Conservation, and Community” workshop, Jodhpur, Rajasthan, India, December 14-17.
- Speaker and participant at the “Socioeconomics, Markets, and Space: Performing Markets” workshop, Hirschberg, Germany, October 16-18.
- Public lecture series speaker, Gulf of Maine Research Institute, Portland, ME, March 13.
- 2007 Participant at “The Science of Marine Reserves in the Gulf of Maine,” a COMPASS (Communication Partnership for Science and the Sea) advisory meeting held at the University of New Hampshire, Durham, NH, December 6.
- Panel participant at a public screening and panel discussion of the film *Fishing for the Future* sponsored by the Island Institute, Rockland, ME, August 16.
- Participant at “Using Case Studies to Advance a Practical Framework for Ecosystem-Based Management in Marine Systems,” a COMPASS (Communication Partnership for Science and the Sea) workshop held at Oregon State University, Portland, OR, April 4-6.
- 2006 Seminar series speaker, National Oceanic and Atmospheric Administration, Northeast Fisheries Science Center, Woods Hole, MA, December 18.
- Seminar series speaker, Department of Natural Resources, University of New Hampshire, Durham, NH, December 6.
- Seminar series speaker, Department of Geography, Hunter College, CUNY, New York, NY, May 11.
- 2005 Speaker and participant at the “Mapping Human Activity in the Marine Environment: GIS Tools and Participatory Methods” workshop hosted by the National Oceanic and Atmospheric Administration’s National Marine Protected Areas Center, MPA Science Institute, Monterey, CA, November 30 – December 1.
- The 2005-2006 Geography Lecture, Department of Political Science, College of Charleston, Charleston, SC, November 16.
- Seminar series speaker, Duke University Marine Laboratory, Beaufort, NC, October 12.
- Colloquium speaker, Department of Geography and Regional Studies, University of Arizona, Tucson, AZ, February 25.
- 2004 United States delegate and workshop participant, Working Group on Fisheries Systems (WGFS), International Council for the Exploration of the Sea (ICES), April 26-30, Lowestoft, United Kingdom.

- 2003 Colloquium speaker, University of Massachusetts, Department of Geosciences, Amherst, MA, November 7.
- 2002 Participant in the “Workshop on Social and Economic Measures of Fishing Community Participation in Fisheries” organized by the Office of Science and Technology of the National Oceanic and Atmospheric Administration (NOAA), National Marine Fisheries Service (NMFS), Silver Spring, MD, April 23 – 25.
- 2001 Speaker and participant at the Social Science Workshop, New England Fisheries Management Council, Gloucester, MA, May 22-23.
- 2000 Participant at the “Second Social Research and Ecological Knowledge Systems Seminar.” St. Francis Xavier University, Antigonish, Nova Scotia, June 19 – 23.
- 1999 Participant and workshop leader at the “Social Research and Ecological Knowledge Systems Seminar.” St. Francis Xavier University, Antigonish, Nova Scotia, May 22 – 29.

Conference Organization

- 2004 Organizer (with R. Schroeder and B. Wilson), *Environmental Justice Abroad* a conference held at the Department of Geography, Rutgers University, New Brunswick, NJ, October 16.
- 2003 Organizer (with R. Schroeder and K. Albert), *Political Ecology at Home*, a conference held at the Department of Geography, Rutgers University, New Brunswick, NJ, March 29.
